## So why join FrOTH?

The Black Horse RFC started life in 1977 when three friends of the famous Hertford watering hole decided to form a rugby team. They quickly became the first pub club to be affiliated to the RFU and now, 40 years later the club is still going strong.

The club is now looking for more people to help keep the club going for the next forty years by joining our supporters club, FrOTH (Friends Of The Horse).

There are great benefits of joining FrOTH - access to England international tickets, an annual supporters lunch and the knowledge that you are helping keep pub, grass roots rugby alive in Hertford.

How much does it cost? Subscriptions to FrOTH come from as little as £3 per month but if you'd like to give more that would be great.

Interested? Just fill in the form and hand it back to the bar
